WA Japan built the poles for three flags, WA flag, Japanese national one and safety one hoisted as shown in right photo. All the people (about 40 people) gathered for this event took a memorial photo together. WA Japan had 17th foundation day on October 18th and we have never had big labor incidents for this 17 years. We have also been implementing 6S activities including safety. Safety flag preys for no incidents for longer time from now on, too.

After this memorial hoist of flags, every people enjoyed barbecue party prepared at inside and outside of well-maintained workshop for about four hours all together as shown in right and below photos. This kind of festival is in itself to strengthen the loyalty of every people to company and mutual friendship irrespective of age and experience . All the people of WA Japan is scheduled to have 2-day bus tour to congratulate 17th foundation on 4th and 5th December as one of yearly events.
